### VII. OLD BUSINESS

A. Support commitment from Scott Bitterman, Engineer, Okaloosa County Public Works Department for Island beautification.

B. Wrap up of 2018 Christmas program.

### VIII. NEW BUSINESS

Draft letter to State Representative Mel Ponder asking for help with: 1. The Santa Rosa Sound Minimum wake extension and: 2. Obtaining relief from the State of Florida FI sand placement laws.

### XI. ADJOURNMENT

## OKALOOSA ISLAND LEASEHOLDERS PRESIDENT'S REPORT – DAVID HANCOCK

*First let me wish all Leaseholders a happy and successful new year! 2018 was a great year for the leaseholders and I feel that 2019 will be even better.*

*Want to thank Nancy Hunt and her team for the great job with the Christmas events. There were more participants in the decoration contest than last year and local businesses donated more prizes. Held the Christmas Caroling Party at the Gulf restaurant again; nothing better to get you in the holiday mood than libations and caroling around a roaring bon fire. The food drive for Caring and Sharing exceeded last year's amount. And the decorations at the US 98 intersection and along Santa Rosa Boulevard were better than ever.*

*The most exciting thing going on is the beautification upgrades to Santa Rosa Boulevard. This will be done working with Okaloosa County Public Works. Received confirmation from Scott Bitterman, chief engineer for Okaloosa County, that the process will start in January. Remember that this will be the concept phase. This won't happen overnight and diligence will be needed to get it done. The great advantage we have is that Mr. Bitterman has done these types of projects before.*

*A crowd of over 15 Leaseholders showed up on December 10 for the ribbon cutting of the new Beach Access Ways. Thanks to everyone who braved the freezing weather to express thanks to Ms. Carolyn Ketchel and the rest of the county commissioners and the TDC for accomplishing this.*

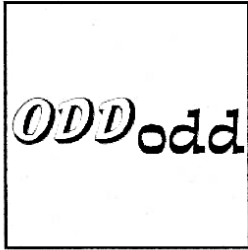

*On December 18 a delegation of Leaseholders visited the Office of Mr. Mel Ponder, our state representative to ask for his support of the minimum wake zone extension in Santa Rosa Sound. At our November meeting the Okaloosa County attorney discussed the same difficulties they were seeing with the Florida Wildlife Commission that OILA experienced 2 years ago. After hearing this became convinced that FWC simply does not want to do the minimum wake zone extension. Maybe some pressure from Tallahassee can do the trick. While with Mr. Ponder also asked about FS 161.142 which governs the placement of dredged sand in Florida. Per Mr. Ponder that law should be followed. This effectively ties the county's hands on bringing sand to sites other than the eroded beaches adjacent to the dredge site. As a result have drafted a letter to Mr. Ponder requesting relief from that statute. Note that I have no idea how this can be done – amend the existing law, write a new law, etc. – but it has to be done at the state level and Mr. Ponder is the place to start. This draft letter is printed on the last page in this newsletter for Leaseholders review and comments.*

*Several OILA members have experienced problems with Waste Management's performance. To put a stop to this we reached out to county staff for a "go to" contact when problems occur. That contact is Gail Edge of Public Works – 850-423-4825. It's her responsibility to deal with the Waste Management contract and performance.*

*Finally, want to mention the TDC meeting on December 20 where a resolution was unanimously passed to provide \$1.5 million in additional funding to carry out the already planned and scheduled dredging of the East Pass in Destin. Okaloosa County had to scramble to come up with this money; the US Army Corps of Engineers was to provide the \$1.5 million but pulled out over legal challenges. I spoke in favor of the additional funding because the pass and channel to the Destin harbor is no longer navigable in certain conditions now and will be completely closed soon. If the Destin Fishing Fleet is shut down hundreds of jobs and scores of businesses will be at risk. If anyone has a problem with my action let me know.*

**WUZZLE PUZZLES-** What is a **Wuzzle Puzzle**? It is a puzzle consisting of combinations of words, letters, figures, or symbols positioned to create disguised words, phrases, names, places, etc. Are you ready to take the challenge and figure out the “disguised” meaning of these wuzzles? Good luck. The solutions are available on the last page of this newsletter.

**THERE WAS NO ACTIVITY FOR THE ARCHITECTURAL REVIEW COMMITTEE DURING THE MONTH OF DECEMBER 2018.**

## NEW BEACH ACCESS WAYS DEDICATED ON DECEMBER 10, 2018

**Access No. 4** was dedicated to **Jerry Melvin**. Melvin was elected to the Florida House of Representatives in 1968, a position he was re-elected to for five consecutive terms. He retired from his position in 1978, but returned to serve in the House from 1994 until 2002. Melvin continues to serve with local groups, including the Walton Okaloosa Council on Aging and Okaloosa County Coordinated Transit.

**Access No. 6** was dedicated to **Mike Mitchell**. Mitchell is a 21-year Air Force veteran who served in the Korean War. He was the first Republican elected to the Okaloosa County Commission, on which he served from 1976-92, and has actively served in a variety of civic and community efforts. Mike is also a long term member of the Okaloosa Island Leaseholders Association

**Carolyn Ketchel**  
*Commissioner*  
*Okaloosa County*

## Veterans Park Improvements in 2019

This coming New Year, our focus now turns to Veterans Park for long awaited improvements on Okaloosa Island. Those who could attend on a frigid December afternoon saw the opening of two beautiful new access ways on Okaloosa Island named for former Commissioner Mike Mitchell and former Rep. Jerry Melvin. These were paid for with the Tourism Development Bed Tax money and will greatly enhance the experience of locals and visitors who use our beautiful beaches.

The Okaloosa County Board of County Commissioner's (BOCC) in conjunction with the Tourist Development Council (TDC) is planning on additional improvements to Veteran's Park on Okaloosa Island adjacent to the Emerald Coast Convention Center. These improvements include a monument honoring all branches of service in particular dedicated to female units who served or continue to serve our country.

Conceptual thoughts include the life size statues in a circle surrounding a fountain with benches. The landscaped area will be designed for easy access by visitors to the park while protecting the natural habitat. It would also include walking paths to highlight the natural beauty of the property and the adjacent waterfront. Conceptual plans will be developed in early 2019 for review and approval by the TDC and BOCC. Once approved, the park's design will be completed and the project will be put out to bid. The goal of any design will be to bring visitors to the park for recreation but to improve the ability to observe the natural habit of old Florida, including the birds, heron rookery and butterflies such as the monarch. Every attempt will be made to keep the seventeen and one half acres as natural and pristine as possible but creating walking paths for visitors. TDC money and grants will be the funding source for improvements and any amenities.

## OKALOOSA ISLAND CHRISTMAS 2018 DECORATING CONTEST WINNERS

**THE FOLLOWING ISLAND AND LOCAL BUSINESSES DONATED PRIZES FOR THE CONTEST  
THANK YOU FOR YOUR SUPPORT!**

Business	Donation	Business	Donation
<b>THE ISLAND</b> .....	2 Night Stay	<b>GULFARIUM</b> .....	FOUR Admission Tickets

**Okaloosa Island Leaseholders Association – Minutes (Draft) - December 10, 2018**

Meeting was called to order at 7:00 PM by President Dave Hancock

Michele Seitz lead the Pledge

Roll of Board was called, those present were Dave Miller, Dave Hancock, Paula Hudson, Dean Hanson, Nancy Hunt and Glen McRae. Lynn Dominique was absent

**Announcements:**

Food Drive for Sharing & Caring will continue at Fire Department till December 19<sup>th</sup>

Looking for storage or Christmas decorations

**Agenda:**

**Minutes** 1<sup>st</sup> Desley Parker 2<sup>nd</sup> Dean Hanson no discussion- approved

**Treasurers Report and Membership Report** - Presented by Jim Simpson (December 2018 Treasurer’s report follows these minutes) A motion to approve report with reimbursements was made by Paula Hudson and 2nd by Michele Seitz

**Architectural Report:** In Newsletter

**Website:** Bob Seitz, No updates

**MSBU-** Paula Hudson – presented September and October report (see file)

There was discussion regarding uses of MSBU and the need to retain balance.

Informational documents are on website

**Derelict Property:** Paula Hudson and Dave Miller advised that no volunteers.

Discussed waste management needs

Dave Hancock is going to check with county to see is if water service controls pickup

**Beautification:** Median improvement was discussed, and it was suggested that turn lanes be labeled for easier identification for visitors

**Old Business:**

A: Minimum Wake Zone – It appears that FWC does not want to do anything. Board is meeting with Mel Ponders next week.

B. Boat Basin-Discussed meeting at Conference Center. MDR will be at the January meeting. TDD is still accepting completed surveys. Cathy Taylor, a resident on Cobia, is concerned that not all residents in block 3 and 4 were contracted with the meeting information. She is also concerned with the possibility of commercialization of the beach accessway. She would like it left as a pedestrian accessway.

**Adjourned** 8:10 p.m.: 1<sup>st</sup> Paula Hudson 2<sup>nd</sup> Dave Miller

**P.O. BOX 4323**  
**FORT WALTON BEACH, FL 32549**  
**Webpage: [www.oilaweb.com](http://www.oilaweb.com)**

Representative Mel Ponder  
 25 Walter Martin Drive Suite 202  
 Fort Walton Beach, FL 32548-4958

Mr. Ponder,

I want to thank you for seeing the Okaloosa Island Leaseholders Association delegation on December 18. We were pleased to have a sympathetic ear on the effort to extend the minimum wake zone in Santa Rosa Sound. We need all the help we can get when dealing with the FWC and that assistance is greatly appreciated.

We also appreciated your comments on FS 161.142 which governs the placement of dredged sand on beaches in Florida. My and Okaloosa County's legal staff understand this law concurs with yours – it must be followed.

We do have one request concerning FS 161-142. Okaloosa County Commissioners and staff are constantly criticized by those seeking to reopen the East Pass Management Plan to change how dredged sand is placed. But Okaloosa County's hands are tied with this statute in place. Can Okaloosa County get some relief at the state level to change this? It will end the endless sand placement debate so Okaloosa County can concentrate on valid issues.

Have no idea how to accomplish this - amend the existing law, request an exclusive waiver, etc. But if y'all in Tallahassee can help accomplish this it would end a lot of rancorous debate. Would be willing to assume that other local governments around the state have the same issue.

Thanks

Dave Hancock
